Course Description:

Beginning Strings offers instruction on violin, viola, cello, and string bass with a focus on the skills necessary for long-term success. Fundamentals stressed include proper posture and playing position, development of characteristic tone quality, and training in music literacy. Check out tulsaareahomeschoolorchestra.com/resources for recommendations regarding instrument purchase or rental suggestions. This class is ideal for those who have never played an instrument before. This group will perform in the Spring Concert.

Course Objectives:

1. The student will develop an understanding of their role as a member of a performance ensemble.
2. The student will develop an understanding of their role in support of community and church functions.
3. The student will develop and continue to articulate their musical ability through the use of small ensembles and cooperative learning groups.
4. The student will work towards learning and mastery of beginning music skills.

Participation:

- Students must have all equipment for class daily.
- Students must take an active role in classroom procedures and feedback of information.
- Students must be prepared for assigned work (practice assigned music at home and come to class with music prepared).
- Students must attend all rehearsals and concerts.
